

Changes to an existing curriculum

Rhode Island School of Design

Curriculum Committee

version 1.3

Instructions: This form must be submitted to the Curriculum Committee whenever a department is changing a degree requirement. Please attach to this form 2 copies of the current published curriculum from the most recent Course Announcement--one unedited copy and one copy with trackable, marked-up changes you wish to make. If new courses are being proposed, attach a Course Proposal Form for each new course. If the characteristics or use of existing required courses are being revised, attach a Course/Section Revision Form for each revised course.

Name of program being changed: (e.g. BFA, Industrial Design):

Effective date of change (e.g. Fall 2016)

Describe the change:

Describe the reason(s) for the change:

List any concerns or possible negative impacts associated with this change:

Describe the transition plan, if there is a need for one: (e.g. senior requirement is moved down to the junior year, so that current juniors who will be seniors next year will need special arrangements)

List any impacts on other departments or programs within RISD:

Please note that RISD must submit curriculum changes to our art and design accrediting body, NASAD, and you may be invited by the Curriculum Committee to speak about the changes or the Vice-Provost may contact you for additional materials.
