

# Major/Non-Major Prior Approval for Transfer Credits

ver 1.0 12/2020

**Form Purpose:** Use this form to request approval to take a course or courses at another institution with the intention to receive major or non-major transfer credits from RISD upon successful completion.

To request Prior Approval for Liberal Arts Credit, please complete the electronic form in etrieve at: [etcentral.risd.edu](http://etcentral.risd.edu)

### Instructions:

- Complete the form and obtain approval from your department head. See Note 1 below
- Attach the course description or a link to the course description.
- Your studio department head may return the original form to you (if you are there in person, or if more information is needed or the form cannot be approved as is) or forward the original to the Registrar's Office (if you are not present).
- Once you have completed the course successfully, request the other institution to send a transcript to: RISD, Office of the Registrar, Two College St., Providence, RI 02903. See Note 2 below

### Requirements for Obtaining Transfer Credit:

- The courses listed below will be given advance approval and credit will be officially granted providing that:
- Credit is earned at a college or university that grants academic degrees. Institutions in the United States must be regionally accredited. Institutions outside the U.S. will be individually evaluated for acceptance.
- The course carries the RISD equivalent of at least three credits (five credits at schools that operate on the quarter system instead of the semester system). One or two credit courses are not transferable and four credit courses will transfer to RISD as three credit courses.
- You earn a final grade of "C" or better (transfer credit grades are NOT included in your RISD grade point average and are recorded on your RISD transcript with a grade of "T")
- You have not already transferred twelve credits to RISD after beginning your degree program at RISD.
- On-line courses are accepted only from 4-year regionally accredited, residential, non-profit colleges and universities
